

## AUVSI ACCELERATOR

Whether you're looking for buyers, investors or acquisitions, the AUVSI Accelerator is the place to get noticed by the unmanned systems and robotics community. The pavilion is a centralized destination on the exhibit floor where attendees gather to see the latest innovation within the industry. Are you ready to get noticed?

To be eligible to exhibit in the Accelerator, your company must have been founded in 2014 or later and submit the URL to your Crunchbase profile prior to registration. Companies may only exhibit in the Accelerator for a maximum of two years.
