# DRIVING FORWARD, MAKING CONNECTIONS

## BREAKING OUT OF THE BOX

The Automated Vehicles Symposium is not your typical automated vehicle conference. We look beyond the hype to deliver the largest and most diverse event featuring in-depth programming rooted in research and data.

Jointly produced by the Association for Unmanned Vehicle Systems International (AUVSI) and the Transportation Research Board (TRB), an operating unit of the National Academies of Sciences, Engineering and Medicine, it's the place where 1,800+ researchers, government officials and industry leaders from around the world come together to explore, debate and advance automated vehicle development and deployment, to help attendees bring automated vehicles to market safely and responsibly.

Join us in 2019 in Florida — a leading testbed for the deployment of autonomous vehicle technologies on public roadways.

## 2018 SHOW STATS:

**1,800+** Attendees

**50+** Expert Speakers

**50+** Exhibitors

**35+** Focused Breakout Sessions

# ENGAGEMENT OPPORTUNITIES

## NEW FOR 2019

### Banners

*Call to customize this opportunity*

The easiest way to gain exposure to the entire automated vehicle audience is to secure one of the premier banners, column wraps, elevator wraps, escalator clings or static clings in high traffic areas. Locations are assigned on a first come, first served basis. Sponsorship fee is for the location only; sponsor is responsible for the production and rigging of the banner. Contact us today to secure the best opportunity and locations that will accomplish your objective.

### Event App

*Call to customize this opportunity*

As attendees use the official app to plan their schedule and learn about the sessions, it's the perfect opportunity to highlight your company front and center in the palm of their hand.

### Hotel Key Cards

*Call to customize this opportunity*

Get your company branding into the hands of all attendees staying at the official event hotel, the Orlando World Center Marriott. This opportunity allows attendees to carry your sales message with them for the duration of the symposium. As guests arrive, they will receive a customized hotel key card. The advertising possibilities are endless; promote your booth number, special event, or tease a new product release. Further customize this opportunity by working with us to identify your target market and provide a welcome amenity in their hotel room.

### Outdoor Exhibit Space and Driving Demo

*Call to customize this opportunity*

Take advantage of the automated vehicle industry in attendance by providing a hands-on, ride-along demo in Orlando! The outdoor demo staging area is located approximately 100 ft. from the exhibit floor and provides an opportunity for real, on-road driving.

### Website Advertising

*Call to customize this opportunity*

Reach the automated vehicle community before, during and after by advertising on the official event website. Not only will you get the eyes of the industry, but it's THE opportunity to bring them to your website!
